

Re-Opening of the Adoration Chapel

We are happy to announce the re-opening of our Adoration Chapel. Adoration of the Blessed Sacrament has been so life-giving to the faith life of our parish. We have been monitoring the Pandemic safety protocols and praying for this day. We feel that we can safely gather in the Adoration Chapel by following these protocols:

- 4 people can be in the Chapel at a time socially distant where Chairs and Kneelers are placed (Please do not rearrange any chairs and kneelers)
- Masks are required
- Sanitize upon entry and leaving
- The air is circulated as in the Church through the HVAC system

Please consider signing up for a regular ongoing time slot. We will start with a gradual re-opening beginning on Monday, June 7 which is the day after the Solemnity of the Body and Blood of Christ. A perfect time to be reminded of being in the presence of the Blessed Sacrament.

Monday to Friday 9AM to 1PM (last hour 12:00-1:00 PM)

Please email or call and leave a message for Mary Ann and Rob Hollands to sign up for a regular time slot. Our goal is to have every time slot filled by one adorer.
